## Guidelines regarding Debarment (Please refer GFR 2017, Rule 151)

- (i) A bidder shall be debarred if he has been convicted of an offence—
- under the Prevention of Corruption Act, 1988; or
  - the Indian Penal Code or any other law for the time being in force, for causing any loss of life or property or causing a threat to public health as part of execution of a public procurement contract.
- (ii) A bidder debarred under sub-section (i) or any successor of the bidder shall not be eligible to participate in a procurement process of any procuring entity for a period not exceeding three years commencing from the date of debarment

**Central Public Procurement Portal (CPPP)** of Government of India is operational since 2012. It hosts the Government eProcurement System (GePNIC) developed by National Informatics Centre in close coordination with Department of Expenditure, Ministry of Finance. CPPP provides a single point access to all the tendering information on various procurements made across the country.

It facilitates :

- **ePublishing** – Publishing of tender enquiries, corrigendum & award of contract details.
- **XML** – Facilitates publishing of tender comprehensive information of other eProcurement system
- **eProcurement** facilitated through – GePNIC© implemented in 500+ Central Government Ministries/ Departments and Public Sector Units, it is also being rolled out across India in 28 State Government /UTs.

## Highlight of the Month

5th e-Government Procurement Conference of the Asia Pacific Public Electronic Procurement Network was held at ADB Headquarters, Manila, Philippines on 1-2 October 2019 . The focus of the conference was on Emerging Electronic Government Procurement (e-GP) Technologies and Innovation, and Regional Trends and Country Systems Experiences.

Asian Development Bank (ADB) invited NIC to share their experience on the widespread implementation of Government eProcurement and deliver a lecture on ‘Integrating Installations in a National System: The GePNIC Experience’.

As GePNIC system has wide spread implementation across the county, the participants were very keen to discuss and learn from NIC’s success as well as the challenges faced in this area, specifically those countries that are trying to similarly integrate eGP sub-systems.
