Highlights

“Major thrust on eTendering by the Govt of Uttar Pradesh results in phenomenal increase in electronic tenders to 19,000 in the month of April 2017 which a record high number of tenders in a month till date for any state using this system.”

Salient Feature

NIC eProcurement system has been designed taking into account best tendering practices followed in the country including World Bank and Asian Development Bank guidelines. It adheres to GFR 2005, CVC Guidelines, IT Act 2000 & its amendment. It is also certified by STQC for “Guidelines for compliance to Quality and Security requirements of e-Procurement Systems” as mandated Ministry of Electronics & Information Technology.

The system can be configured for use by an organization at its apex level, and at multiple subordinate levels, at which tenders could independently be floated. NIC has hosted 41 live instance of the single product.
