

CPPP News

Central Public Procurement Portal (CPPP) of Government of India is operational since 2012. It hosts the Government eProcurement System (GePNIC) developed by National Informatics Centre in close coordination with Department of Expenditure, Ministry of Finance. CPPP provides a single point access to all the tendering information on various procurements made across the country.

It facilitates :

ePublishing - Publishing of tender enquiries, corrigendum & award of contract details.

XML - Facilitates publishing of tender comprehensive information of other eProcurement system

eProcurement - Facilitated through – GePNIC[®] implemented in 550+ Central Government Ministries/ Departments and Public Sector Units, it is also being rolled out across India in 30 State Government /UTs.

Around 91,000 tenders worth Rs 1.36 Lakh Crores were floated in the month of May 2020 in the Central Public Procurement Portal. This is an indication of the path towards resumption of normal work routine either remotely or from office. We assure full support to all our users.

Highlights of the Month

Even as most of us worked remotely during this difficult period the GePNIC team conducted online training / awareness sessions / workshops through NIC's web learnings and Video Conferencing for the User Departments across the country. This helped a lot in bringing the work back to Normal routine. Major highlight of the month were extensive assistance provide to publish tenders related to medical departments, extensions , facilitate remote opening etc. Major sessions were for "City and Industrial Development Corporation of Maharashtra" CIDCO, Navi Mumbai, PAN India BHEL officials, PMGSY(NRID) Users of Chhattisgarh, Karnataka, Haryana , Telangana, Andaman and Ladak.

GePNIC team also used this lockdown period to conduct refresher sessions on various features functionalities. This helped all our officials , support executives to brush up their understanding about the system.

QUICK TIPS

All Tender Inviting Authorities are advised to Select 2 of 4 Bid Openers during Tender creation, this give flexibility to have more people as Openers.

During procurement of DSC, procuring entities must ensure to keep the soft copy of Encryption Certificate in safe custody. The DSC token must be kept safely , even for expired DSC as it will be useful for Bid Opening.
