First-ever Successful e-Auction in Jammu & Kashmir

(<https://eauction.gov.in>)

Directorate of Agriculture Jammu held eAuction for surplus seeds and unserviceable gunny bags in electronic mode through eAuction Portal of NIC for the first time under the Chairmanship of JDA (Inputs) Jammu. The distinction of holding Multi-lot and Single-lot e-Auctions was achieved through the technical support extended by the NIC J & K e-Procurement team.

After successful completion of e-Auction, there would be realization of more than 26-27% revenue over that of last year in case of leftover seeds and 50% more revenue than the basic auction price offered in case of unserviceable gunny bags.

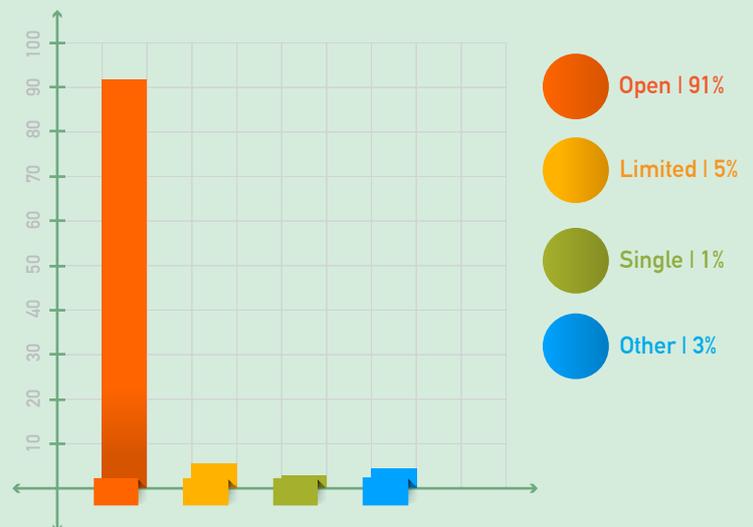

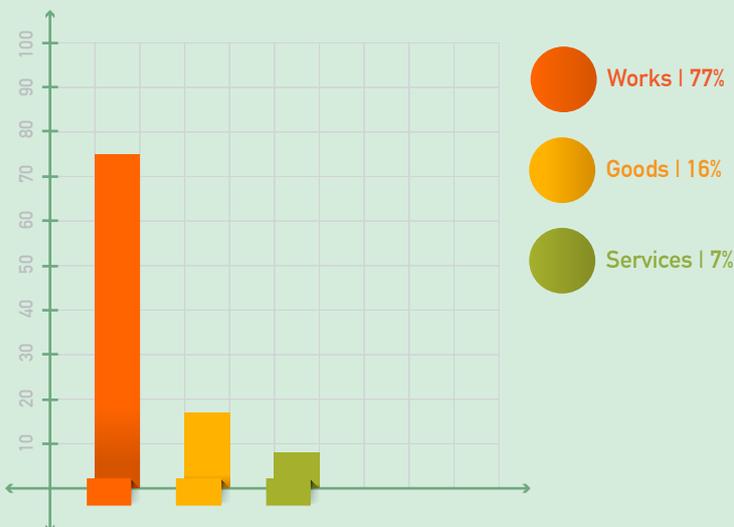

Director Agriculture wished JDA (Inputs) and his team who worked tirelessly to achieve this success during trying times of Covid-19 and expressed his wishes that other Departments of UT will follow suite and carry out e-Auctions whenever needed.

"By adopting digitally transparent process of E - Auctioneering 1st time in J&K, the Department of Agriculture Jammu has taken a leap forward towards timesaving & higher revenue generation with a click of mouse not only by shedding the old & cumbersome process of Open Auction system but also realizing higher revenue @ 25% more than previous FY'2019-20."
