## Important Information

### Single Tender Enquiry - Procurement from a single source :

- It is in the knowledge of the user department that only a particular firm is the manufacturer of the required goods.
- In a case of emergency, the required goods are necessarily to be purchased from a particular source and the reason for such decision is to be recorded and approval of competent authority obtained.
- For standardisation of machinery or spare parts to be compatible to the existing sets of equipment (on the advice of a competent technical expert and approved by the competent authority), the required item is to be purchased only from a selected firm
