

Introduction of the Product

National Informatics Centre (NIC), Ministry of Information Technology, Government of India has developed its own eProcurement software system, GePNIC to cater to the electronic procurement/ tendering requirements of the Government departments and organizations. The system is generic in nature and can easily be adopted for all kinds of procurement activities such as Goods, Services & Works, by Government offices.

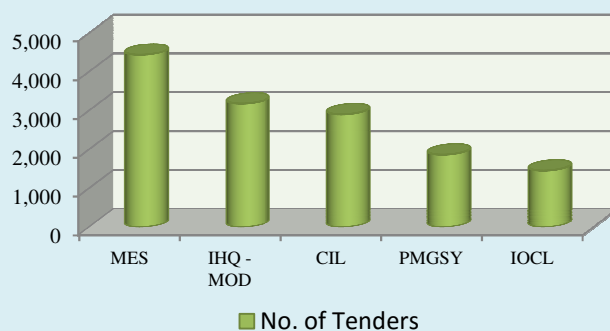

It is being implemented in 27 States and Union Territories as Mission Mode Project (MMP) as well as over 200 Central Government Ministries / Departments / PSUs / Attached offices / Statutory Bodies etc under the Central Public Procurement Portal (CPPP). Various Major Public Sector Units (PSU) are also using GePNIC for a long time as separate instance.

During the month of **August 2016** around **54,753** tenders were processed electronically worth Rs **50,187.61 Cr.**

Highlights

10th Public Procurement Summit in the month of July :-

A presentation was given on “Enhancing Efficiency of Public Procurement through E-Procurement & E-Tendering”.

Salient Feature

NIC eProcurement system has been designed taking into account best tendering practices followed in the country including World Bank and Asian Development Bank guidelines. It adheres to GFR 2005, CVC Guidelines, IT Act 2000 & its amendment. It is also certified by STQC for “Guidelines for compliance to Quality and Security requirements of e-Procurement Systems” as mandated Ministry of Electronics & Information Technology.

The system can be configured for use by an organization at its apex level, and at multiple subordinate levels, at which tenders could independently be floated. NIC has hosted 40 live instance of the single product.

User Review

Banaras Hindu University ranks among the first few in the country in the field of academic and research output. This university has two campuses, 5 institutes, 16 faculties, approximately 140 departments, 4 advanced centers and 4 interdisciplinary schools. BHU also has established the Rajiv Gandhi South Campus at Barkachha.

Banaras Hindu University realized the need for transparency and adopted best practices in governance and leadership by use of e-Procurement system through Central Public Procurement Portal (CPPP) of NIC (<https://eprocure.gov.in/eprocure/app>) w.e.f. August 2013. Since the last 3 years BHU has successfully processed approximately 200 tenders worth approx. 240 Crores.

We have received immense support from NIC in successful adoption of the GePNIC system in BHU.
