

Central Public Procurement Portal Newsletter for the month of November 2017

The Central Public Procurement Portal of Government of India provides a single point access to the information on all procurements made across various central government organizations across the country. It facilitates electronic tendering using Government eProcurement System of NIC (GePNIC) which aims at transparency and non discrimination amongst bidders, by allowing free access to tender documents, clarifications, secure on line bid submission and access to bid opening event. The pilot tender using this system was floated in Nov 2007. **We complete 10 long years of successful implementation PAN India.**
